*Welcome to our GreenMarket stage!*

The Alliance for the Arts has been hard at work to create this beautiful new outdoor performing arts space and we are thrilled to welcome you back to enjoy live theatre in a safe and exciting way! Beverages and snack boxes are made available by the Broadway Palm Dinner Theatre. Dinner and a show under the stars or lunch in the shade – it's your choice!

While you are here, take a moment to explore everything the Alliance offers: a new, beautifully renovated campus, exciting gallery exhibitions, classes and events onsite, online and outdoors, a weekly farmer's market and so much more.

Before you silence your cell phones, give the Alliance for the Arts a like and a follow on social media. Now, sit back and enjoy the show!

*Thank you,  
Bill Taylor*
